CV Template

## Notes:

**Teacher registration in Australia** for overseas qualified teachers has the following minimum requirements:

- A four year degree in teaching **OR** a Bachelors degree in another discipline **AND** a graduate diploma or masters in education.
- At least **two years recent teaching experience** in a secondary school in mathematics and/or physics and/or chemistry.
- English at overall 7.5 IELTS with no band less than 7.0 and **8.0 in speaking and listening**
- **45 days minimum** supervised teaching practice in your qualification

The attached CV template takes the above requirements into account and will assist the program coordinator of the Teach in Australia course in deciding whether you will make a good course candidate.

Please complete the CV template in as much detail as possible, paying particular attention to dates.

After your CV has been assessed, suitable candidates will be contacted and invited to begin the next phase of their application.
