

**3. What do you anticipate you will need to modify in your current teaching strategies?**

**4. What do you consider your teaching strengths to be?**

**5. Please describe the ways you have interacted with your school community outside the classroom. You may like to talk about interaction with colleagues and parents, non-teaching roles you have carried out, as well as extra-curricular activities you have been involved in with students.**

**6. What professional activities and associations have you participated in during the last twelve months? Please include details of any online professional networks you have joined?**

**7. What steps have you taken to increase your pedagogical and content knowledge in the last twelve months?**

**8. Please give examples where you have used ICTs in your teaching.**

**9. What strategies do you employ to deal with disruptive behaviour in your class?**

**10. You have been given a Year 9 class in an Australian school for six hours per week. 5 of the students are keen and able to deal with the subject matter effectively. Another 12 are poorly motivated but capable, a further 5 don't really want to be there and the final 3 are new migrants with poor English. Please describe your strategies for teaching this class and engaging all the students.**
